

Lecture 3

1. Install ROS2
2. Download serta Install webots

3. Install webots ROS2 package dengan syntax “sudo apt -get install rosfoxy-webots-ros2” tunggu hingga proses selesai

```
Reading package lists... Done
Building dependency tree... Done
Reading state information... Done
E: Unable to locate package ros-foxy-webots-ros2
```

4. Saya tidak tahu mengapa unable locate, tetapi sudah mencoba mencari Solusi di chatgpt tetap tidak bisa menyelesaikan masalah saya. Karena itu saya tidak dapat melanjutkan pengerjaan.

The screenshot shows a YouTube video player. The video title is 'Using ROS2 Services to interact with Webots | Webots ROS2 tutorial series [Tutorial 3]'. The video content is a comparison table between ROS 1 and ROS 2 services. The table has two columns: 'ROS 1 Services' and 'ROS 2 Services'. The first column is blue and the second is red. The table compares various aspects of services in ROS 1 and ROS 2. To the right of the table, there is a list of videos from the 'Webots ROS2 Tutorial Series' by 'Soft illusion'. The list includes 6 videos with their durations: 15:29, 16:28, 18:41, 18:45, 18:30, and 18:30. The video player interface includes a search bar, a play button, and a volume icon.
